Laura Whitlock
FEATHER MOUNTS

*Class fee approximately \$20:
Jacquard acid dyes & vinegar*

*Laura will provide large pots for the
dyeing segment.*

*The “fish steamer” is for the long feather
plumes. A kettle steamer can be used on
shorter feathers*

FEATHERS: bring the type of feathers
you would like for a specific look.
Suggestions of the type of feathers to
achieve that look are listed below. White
or Ivory is suggested for the dyeing
segment of class.

Fluffy look: hackle, marabou, guinea
fowl, biots, ostrich, chinchilla

Length & Drama: burnt peacock fringe
(peacock hurl), stripped and un-stripped
coque, nagoire

Sharp & Sculptural: goose or turkey
blades, nagoire, biots

- fish steamer, if possible, a few will be on hand provided
by Millinery Meet-up
- plastic salad tongs
- white mug or clear glass jar
