| | <p>Basic sewing kit</p> |
| | <p>Sewing machine-If you are driving and wish to bring your sewing machine you are welcome to do so. Arrowmont has a few machines for our use.</p> |

Laura Del Villaggio

Fabric manipulation

Premade sinamay or buckram fascinator base

Large square of fashion fabric measuring a minimum of 4 times the diameter of your fascinator base. For example, if your base has a diameter of 7" then bring a square that is at least 28" x 28"

Thread to match your fabric

Embroidery floss and embroidery needles

\$5 for the pinning kit to be provided by instructor

Optional: Beads and beading needles

Basic sewing kit

Please note this class also requires

**Sewing machines,
and iron.**

If you are travelling by car, kindly bring extra to share with other students.

Phillip Rhodes

Leaf? Feather? Super useful!

Several yards of straw braid

Several yards of gold Christmas gift tie

Several yards of fancy coloured straw braids

Blocking pins

Matching thread

A simple **dome crown** block

A cotton pressing cloth

0.5 yard of fabric to make rouleaux contrast or matching to braids

A **jewel or gold filling** as trimming

Basic sewing kit

Please note this class also requires

**Travel size steamer,
and iron.**

If you are travelling by car, kindly bring extra to share with other students.

Biliana Borissova

Stencil cuts

Wool of velour felt, previously strongly stiffened, has to be dry yet. Two scraps of felt of the same color are needed, about 6" x6".

Small scraps of brightly colored felt..

Peacock feathers, 4 or more.

Fabric glue

Basic sewing kit (especially sharp scissors)

Please note this class also requires
an iron.

If you are travelling by car, kindly bring extra to share with other students.

Edwina Ibbotson

Fabric covered Alice band

A pre blocked, preferably still on the block -Alice Band, It can be Flat or Shaped (I am happy to supply the odd blocked piece ready to use for those who don't have a headband or bandeau shape) Anyone who needs a Band to please kindly let me know by August 23rd 2024 (Please expect a confirmation reply email from me to consider your Order has been noted)****

Notes for Blocking your -Pre Blocked Alice Band/bandeau.

I like to Block 3 or 4 layers or sinamay, pressed and stiffened ready to cover, If wanting a smooth fabric finish I also cover in a layer of tarlatan and then a layer of domette to give a completely smooth finish. However if you prefer, you can Spartrie, or buckram, for your base, the later a cheaper option but harder to sew option (not my favourite)
Hat Blocks Australia offers selection of headband blocks

Fabric

0.5 metre of either a silk satin, silk duchess satin, silk Taffeta or a light weight Velvet, Re Velvet, it can be a polyester, nylon, viscose, acetate, or blends of synthetics and natural fibres, a silk mixed Velvet is my preference. (velvet is good if wanting to ruche or Block straight)

Thread to Match

Invisible Thread

A pusher (a piece of corset bonding to help remove your Band from the block) 45-50 cm 1 inch wide (#5) petersham ribbon to match

Fine straw/ millinery needles, size 10 or 11

Basic sewing kit

Equipment: Steamer

Alice Band Block
