Jenny Roberts

Painted Abaca Flowers

NOTE : a kit for this class is available for purchase from the tutor \$40. It includes pre-stiffened and pre-cut abaca and elements included below. If you are beginner, this is a good choice.

	<p>*Stiffened 0.5 yard of silk abaca. https://www.judithm.com/product-category/straw-cloth/abaca/ Prep work –if not buying the kit please stiffen abaca with PVA 1:4, dry then iron if needed</p>
	<p>*A cotton thread in a toning choice of your flowers</p>
	<p>*Up to 3 different colored cotton threads to make one of the stamen</p>
	<p>*1-2 yards of metal jewelry wire approx. 0.315mm Gauge</p>
	<p>*A variety of beads (long bugle beads work well)</p>
	<p>*Shop-bought stamens as another choice of centres</p>
	<p>*Small ball of cotton wool for the flower centre</p>
	<p>*Flower Pattern (provided)</p>
	<p>*Paper-covered florist wire approx 22 gauge</p>
	<p>*Jacquard dye (optional) if you want to tint/ombre your petals</p>

Not in the kit:

	Basic millinery sewing kit
	Superglue and PVA Tacky Glue (Alene's Tacky glue)
	Paintbrushes, newspaper, Plastic gloves,
	pots and cups – can be found around at Arrowmont

Edwina Ibbotson
